

Coal India Limited — Annual Report 2024–25

Structured extraction of statistical, graphical and numerical data | 561 records across 15 categories

This PDF presents the data contained in the prepared CSV extraction. Values are reproduced as structured records with category, entity, metric, period, value, unit and source.

Data Categories

Category	Records
Accident Statistics	16
Capital Expenditure	40
Coal Stock	32
Consolidated Financial Statement	15
Financial Highlights	14
Financial Trend / Chart Data	15
